OUR COMPANY

Global Orchards Coffee

Three coffee formats. One point of contact.

Based in Nairobi, Kenya, Global Orchards works in agricultural trade, with an emphasis on grower relationships, careful handling and international buyer needs.

Our coffee range includes green coffee beans, roasted whole beans and ground coffee. Share your preferred format, quantity, packaging and destination so our team can discuss the right product specification and prepare a quotation.

A CLEAR PRODUCT BRIEF

Product selection, origin, specifications, availability and delivery arrangements are confirmed with each enquiry.
